

HELLO EVERYONE,

As a lot of you are aware Chef Jean Pierre will retire at the end of 2018. We are sincerely thankful for all your support and loyalty for the 15 years we have been here on Sycamore Street. Some of you have been customers and friends since our restaurant days (and years) on State Street as well. We have watched your families grow and expand to include even some of your children as our clients now. We are truly blessed to have had such a long run.

Our updated Fall/Winter schedule is posted on the following pages of our web site. At this point as we approach our final few months in business you will notice a lot of our classes appear to be sold out. **DO NOT DESPAIR!** Reservations for some of these classes were made weeks and months in advance. Things do happen, cancellations due to unforeseen events do occur from time to time.

Please do not hesitate to put your contact information on the wait list. As seats open I do contact the call list people. First come, first served.

We will try to accommodate as many requests for seats as possible.

Hope to see you soon. Be well.
