

## **NOVEMBER 2018**

The end is near!

Hello again,

As most of you are aware, Jean Pierre and I will be saying “adieu” as of mid-January 2019. We have been in the food business for over 30 years here in Newtown. It is time to hang up our aprons and put away the pots and pans. We once again would like to thank all of our clients/friends/customers who have supported us for those 30 years plus.

Like most people we have accumulated a LOT OF STUFF over that period of time. We now have to get rid of all THAT STUFF!

So we want to see if there is anything that would be of interest to you all. We do not want it to wind up in a landfill somewhere if at all possible. Everything will be let go very inexpensively for sure.

Just a partial list: the aforementioned pots and pans, skillets, ladles, silverware, glassware, plates, bowls, bar stools, wood cabinets, cookbooks, filing cabinets, wine buckets, etcetera.....

In addition to all the small stuff we have some large kitchen equipment that needs to find a home soon. If you know of anyone opening a food business, shelter, church group, or other organization that can use this equipment please have them contact me directly.

Please contact me through our web site. I will get back to you as quickly as possible. Thank you.
